SECOND ASSISTANT SECRETARY 28 JUL 1955 AGRICULTURE DEPARTMENT

Sub: Establishment - Upper subordinate - Sri Yeshwanth Ail, Tuber Crop Scheme Assistant, Paddy Breeding Station, Mangalore-2 - application for the post outside the Department - forwarding - certain - clarification - regarding.

Sri Yeshwanth Ail, Tuber Crop Scheme Assistant, Paddy Breeding Station, Mangalore had applied for the post of Technical Assistant under the Regional Director (Food) and requested forwarding of his application to the Regional Director (Food) Southern Region, Madras-14.

2. The subordinate had undergone training in Horticulture at Government expense, after executing an agreement to the effect that he would serve this department for a period of five years after completion of the training course. He completed his training on 14-8-54. As such the subordinate was informed that his request for forwarding of his application to the Regional Director (Food) will be considered if he is prepared to refund the amount spent on his Horticultural training, before accepting the new post in the event of his getting it.

3. The training in Horticulture was given to the subordinate only with a view to utilise the services of the subordinate for this department and the subordinate has not served in this Department for one year after completion of the training course on 14-8-54. He does not also hold any substantive post in this Department and is an approved probationer in the post of upper subordinate; Hence the question of having his lien in this department does not arise.

4. The subordinate in his letter dated 9-7-55 (copy enclosed) has requested,

(i) that he may be allowed the option of paying the amount spent on his Horticultural training in long and reasonable monthly instalments with due regard to his salary etc. in his new post as he is not in a position to refund such a large sum straightaway in one instalment and

(2) that his application may be forwarded to the Regional Director (Food) pending the fixation of the amount, the number of instalments etc.

The subordinate is now drawing Rs.115/- in the scale of Rs.100-5-140-E.B.-10-220 and the scale of pay that would be allowed by the Regional Director (Food) has not been mentioned.

5. I request instructions of Government on the request of the subordinate stated in para 4 above.

Sd. W.G. Janakiraman,
For Director of Agriculture.

/By order/

PERS. ASSISTANT.

Br.25...

Office of the Director of Agriculture,
Madras, dated 25-7-55.

Copy of the letter dated 9-7-55 from Sri Yeshwant Ail, B.Sc., Ag., D.H., Tuber Crop Scheme Assistant, Paddy Breeding Station, Mangalore-2 addressed the Director of Agriculture, Madras.

Sub: Establishment - UPper subordinate - Sri Yeshwanth Ail - Tuber Crop Scheme Assistant - application for the post of Technical Assistant under the Regional Director (Food) - forwardal requested - regarding.

Ref: L.Dis.A.784/55 dt. 27-6-55 of the Director of Agriculture, Madras.

I beg to submit that the above order directing me to refund the amount spent on my training in Horticulture, before my application could be forwarded to the Regional (Food) has adverseley affected my interest and has caused me much hardship. If I am appointed by the Regional Director (Food) to the post sought, I shall be getting only Rs.40/- more per month, in a post of a temporary nature which might be terminated at any time. The extra emolument I shall draw will hardly commensurate with the large amount of refund involved. I have neither the capacity nor the money to refund such a large sum straightaway. I therefore request that if the order of refund is still ~~of~~- intended to be enforced, I may atleast be allowed the option of paying the amount in long and reasonable monthly instalments with due regard to my salary etc.

Meanwhile, I understand that the vacancy under the Regional Director (Food) is likely to be filled up soon and I request that my application may kindly be forwarded at an early date to the Regional Director (Food) for favourable orders pending the fixation of the amount, the number of instalments etc.

/True copy/

AGRI.(BI) DEPT.

ESTABLISHMENT - Agriculture Department - Yeshwanth Ail, Tuber Crop Scheme Assistant - Paddy Breeding Station Mangalore - Application for appointment as Technical Assistant in the Office of the Regional Director (Food) Forwarded - Clarification.

Cmo 69134/BI/55

From the D.A.Lr.No.A.3.1065/55 dated 25.7.1955.

The letter from the D.A. on p.1 c.f. may be perused.

2. Sri Yeshwanth Ail was first appointed in the M.A.S.S. on 2.3.1951. He is an approved probationer in the category of Upper Subordinates. He is now drawing pay of Rs.115 p.m. in the scale of Rs.100-5-140 EB.10-220. He had undergone training in Horticulture during 1954. He also executed an agreement to the effect that he would serve the dept. for a period of five years after completion of training. In June last, Sri Yeswanth Ail requested the D.A. to forward his application to the R.D.(F). Southern Region [Madras] for appointment as Technical Asst. The D.A. informed the subordinate that his request would be considered only if the amount spent on him for training in Horticulture was refunded. Sri Yeshwanth Ail has now requested the D.A. that he may be permitted to pay the amount spent on him for training in Horticulture in reasonable monthly instalments and that his application may be forwarded to the R.D.(F) pending a decision on the question of refund of the amount in easy instalments. The D.A. has now requested orders of Govt. on the request of the petitioner.

3. With reference to this it may be stated that recently the Govt. ratified the action of the D.A. in having permitted an upper Subordinate trained in orticulture to take up private employment as the

candidate was not selected by the P.S.C. for regular appointment. In the present case, the position is different. The upper Subordinate ~~does~~ has a regular appointment and can continue to serve the dept. It does not appear that there is any strong case for permitting the upper subordinate to seek employment elsewhere simply to better his financial prospects before the expiry of the 5 years' period. For orders.

4. Pub(Sec) and Fin may see for remarks

It does not appear that we need DS/Pub(Sec)/Fin stand in the way of an ... seeking better ... prospects. After all he wants to serve the G.O.I. and not any private employer. Further he has not asked for waiver of refund of the amount spent on his technical training. He only wants to be permitted to refund the amount in reasonable monthly instalments fixed with due regard to his salary etc. Interest bearing bonds in the ... contracts. Once ... agreements after ... formalities we may let him go -

2. Agri. propose to forward the application of Sri Yeshwanth Ail, Tuber Crop Scheme Assistant, Paddy Breeding Station, Mangalore for appointment as Technical Assistant under the Regional Director (Food), Southern Region and recover the amount spent on his training in Horticulture in monthly instalments. It is not kwown how the recovery of the amount is proposed to be ensured. This Department may suggest that (while forwarding the application, the) Regional Director may be informed that in case the applicant is selected for appointment, he will be relieved only if the Regional Director undertakes to refund to this Govt. (by deduction) the amount of stipend due from the candidate (pay) in such instalments (and at such rate) as will be decided by this Govt. intimated to him
